DATASHEET

Click Medical Lightweight Transit Wheelchair

- Lightweight steel frame with easy folding design
- Swing-away footrests for easy transfer to and from the wheelchair
- Solid puncture proof tyres
- Upholstery handles to assist with folding the chair
- Half folding back for compact folded size
- Folded Width: 20cm (8")
- Maximum User Weight: 115kg (18 stone)
- The Silver Sport Travel Chair is manufactured in steel, providing you with a strong, durable wheelchair that offers many great features at a very affordable price!
- Finished in an attractive silver vein, this lightweight folding transit wheelchair is perfect for transportation and storage whilst being comfortable when in use.
- Stepper tubes make it easy for an attendant to mount curbs safely. A half folding back makes the chair more compact when travelling or storing.
- It is fitted with solid tyres all round that are puncture proof and low maintenance. The upholstery is manufactured from Nylon making which is easy to clean and long lasting.
- Swing-away footrests are fitted with ankle supports and parking brakes assist with getting in and out of the chair. Once seated, padded armrests provide additional comfort and support and the seat belt, fitted as standard, provides you with added safety.
